President Dietz called for a motion to recess to the call of the Chair. Motion by Cl’m Wolfe, seconded by Cl’m Ibberson to recess to the call of the Chair at 9:55PM. Motion carried.

Respectfully submitted,

Ann Bowman Jackson
Borough Secretary
President Dietz called the meeting back into session on Feb. 25, 2015 at 7:08 p.m. Cl’ms Boyer, Ibberson and Wolfe were present. Manager McGann was also present.

**GUEST** – Christopher Beauregard, CenterPoint Engineering

**PMHIC Agreement** – Manager McGann reported that the Borough Solicitor has reviewed the agreement and has no objections. Motion by Cl’m Wolfe, second by Cl’m Ibberson to adopt the agreement as presented. Motion carried.

**Millersburg Area School District Subdivision and Land Development Plan** – Manager McGann introduced Chris Beauregard with CenterPoint Engineering. CenterPoint has been working on the subdivision plans for the Middle/High School campus. Council has previously reviewed plans and raised some concerns. Mr. Beauregard presented the Council with a revised set of plans to address those concerns.

On the subdivision plan, CenterPoint has revised the previous drawings. For now, the School District is only requesting the vacation of a right-of-way that runs through the school. The plan also corrects the boundary of the swimming pool lease. The other issues with the sidewalks and parking areas will be addressed separately in another subdivision plan. The campus is currently on a number of lots. The ultimate goal is to consolidate the campus into two lots. The school board has passed a resolution stating their intention to complete this process.

On the land development plan, the only change from the previously approved plans is to increase the size of one of the required stormwater infiltration beds. The area of the proposed chiller pad quadrupled, so the area of the infiltration bed quadrupled.

McGann reported that the Millersburg Planning Commission met the previous evening and recommends that Council approve the subdivision and land development request.

Motion by Cl’m Wolfe, second by Cl’m Ibberson to approve the subdivision and land development request. Motion carried.

The plans require signatures of the Council President and the Borough Secretary. McGann was directed to make arrangements to have the Secretary sign the following morning and to get the plans to CenterPoint.

Motion by Cl’m Wolfe, second by Ibberson to adjourn at 7:16 p.m. Motion carried.

Respectfully Submitted

Christopher M. McGann
Borough Manager
