Public Comment – President Dietz recognized Vanessa Snyder, David Warner and Kinda Warner. They were present to lodge a complaint against the Millersburg Borough Police. Ms. Snyder explained that on June 28th she reported an uninspected vehicle being driven and parking in the 300 block of Moore Street. She further reported that as of August 26th the situation is still on-going. Ms. Snyder and Mr. and Ms. Warner voiced complaints regarding the lack of police action towards an ordinance violation. Mayor Ibberson responded that in order to cite the owner for an uninspected vehicle, the police must see the individual driving it. President Dietz stated that this will be discussed later during the meeting to see if any changes need to be made in the ordinance or in enforcement procedure. Ms. Snyder, Mr. Warner and Ms. Warner then left the meeting.

President Dietz next recognized Donald Wingard, who addressed Council on behalf of the Historical Society of Millersburg and Upper Paxton Township. The Historical Society is concerned with the safety of the Daniel Miller fountain. Cl’mns were provided with quotes from Rock of Ages Corporation for four different styles of bollards. The Historical Society is offering to cover the cost of four Type 4 bollards, plus shipping for a total of $12,600. Installation of the bollards is not included in the offer. Regarding the underground vault, from a historical standpoint, the Society would like the vault to remain in order to possibly have function restored to the fountain, rather than be filled in. President Dietz stated that both the bollards and the vault will be discussed during Parks Committee business later in the meeting. Mr. Baker, Mr. Herrold, Mr. Hoy, Mr. Spotts and Mr. Wingard then left the meeting.
