Millersburg Borough Committee of the Whole
Council Chambers
September 23, 2026 Meeting Minutes

Call to Order – President Boyer called the meeting to order at 8:03pm with Cl'ms Hoke, Snyder, and Hershey present. Mayor Bowman, Secretary Jackson, and Borough Manager Whitall were also present.

Employee Relations

Health Insurance Opt Out – Cl'm Snyder informed Council that he is still working on drafting his proposed solution. Item tabled until the October Committee meeting.

Secretary Jackson out at 8:23pm

Streets

Parking Meters – Manager Whitall presented quotes to replace the parking meters on Union and Market Streets in the business district with refurbished, coin-fed meters. Smart Meters were included in the pricing, but each meter requires a monthly fee for the card reader. Council would like to reassess the number of meters quoted and include Center St in front of the Masonic Building.

Community Outreach

Community Garden Water Bill – Manager Whitall presented a water bill for MYO Park that had been getting passed on to the Community Garden as an operational expense. Cl'm Campisi was not aware that the garden was paying for the water and asked that it be shared with Teener Baseball. Since there was no water bill until the Garden installed a dedicated water line, Teener Baseball's use was nominal, and they should not be responsible for the bill. Manager Whitall stated that Penn State considers the water bill reimbursable thorough the garden grant.

The meeting was adjourned at 9:07pm.

Respectfully submitted,

James Whitall
Borough Manager
